

T4L HP Desktop – BASE Model

RIGHT.
VGA monitor goes here

Want a second monitor? Buy a **DisplayPort to VGA adaptor** and plug it in **HERE**

T4L HP 21" LED Monitor

T4L HP Monitors are supplied with three cable connection options:
VGA - For Base desktop PCs
DisplayPort – for either as 2nd screen
DVI – For Advanced Desktop

DVI

Best used on Advanced Desktops without the extra adaptor

VGA

Best used on Base Desktops as first monitor

Best used on either Desktop as second monitor

Don't throw out the cables you don't use!

T4L HP Desktop – ADVANCED Model

WRONG.
Monitor does NOT go here

RIGHT.
Monitor goes here using this DVI-VGA adaptor that's in the bag of cables

Want a second monitor? Buy a **DisplayPort to VGA adaptor** and plug it in **HERE**
