

Construction in Minecraft

Bringing together teachers, Minecraft experts and construction professionals to Co-Design Minecraft lessons

Regional Industry Education Partnerships (RIEP) is inviting high school teachers to attend a two-day workshop in partnership with John Holland. Aim of the workshop will be to design lesson plans with professionals from the construction industry and link industry to the curriculum. The lesson plans will be built in a Randwick Children's Hospital Minecraft world which will be available to all teachers across NSW in Term 2.

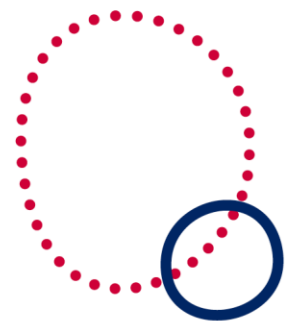

We are looking for all levels of Minecraft expertise. Support will be provided for Novice users

Where: Sydney Startup Hub. Level 1, 11 York Street Sydney NSW 2000

When: **Day 1:** Wednesday 30th November, **Day 2:** Wednesday 7th December

Time: 9am – 3pm

RSVP: [CLICK HERE](#) or scan QR code below
