# Preschool fee schedule 2018

The preschool fee schedule is based on the Preschool Class Fees in Government Schools policy and outlines the daily fees that schools should charge for attendance at the preschool. For those schools that offer half day sessions the fee will be half that of the full day fee.

The schedule allows for reductions for Commonwealth health care card holders and Aboriginal and Torres Strait Islander families. Full fee exemptions can be provided to families in exceptional circumstances or if they would otherwise be unable to attend preschool. This must be approved by the Director, Public Schools NSW in line with the Delegations of Authority under the Public Finance and Audit Act 1983.
