

# Accessing Canva for Education

For teachers

## 1 Access the Service

Visit the [Canva for Education page](#) and read through all the information to determine if the service is right for you and your students.

## 2 Click on the magic link

To access the service, the NSW Department of Education has worked with Canva to create a [unique sign up portal](#), use it to begin!

## 5 Invite your students

Students should not sign up for a Canva for Education account unless invited by their teacher. Check out the [onboarding guide](#) to learn how. Remember students under 13 need parental permission.

## 3 Sign-up with email

When signing up use your [@det.nsw.edu.au](#) email address. If you already have an account, visit the [FAQs section](#) of the site for more info. **Tip: Check your junk email for the confirmation passcode.**

## 6 Add to your portal

Did you know there is a Canva Portal Icon? Click on [‘My Learning Tools’](#) and add Canva to your Essentials!

## 4 Get creating

Once you have created an account, it is time to begin! Explore templates, add media.

## 7 Learn more

To keep building your skills investigate the [Canva Design School](#) and explore sections including infographics, videos and so much more!
