SAMPLE INSTRUCTIONS

Use the following idea as the basis for a piece of writing. Your writing can take the form of narrative, informative or persuasive writing.

If you had just one wish to make the world a better place, what would you wish for?

Your writing will be judged on:

- what you write in response to the stimulus (the quality of your ideas)
- how well you organise your writing
- how clearly you express yourself (the words you choose and the quality of your sentences)
- how effective and engaging your writing is for a reader
