## Manual installation of Citrix Receiver v14.3
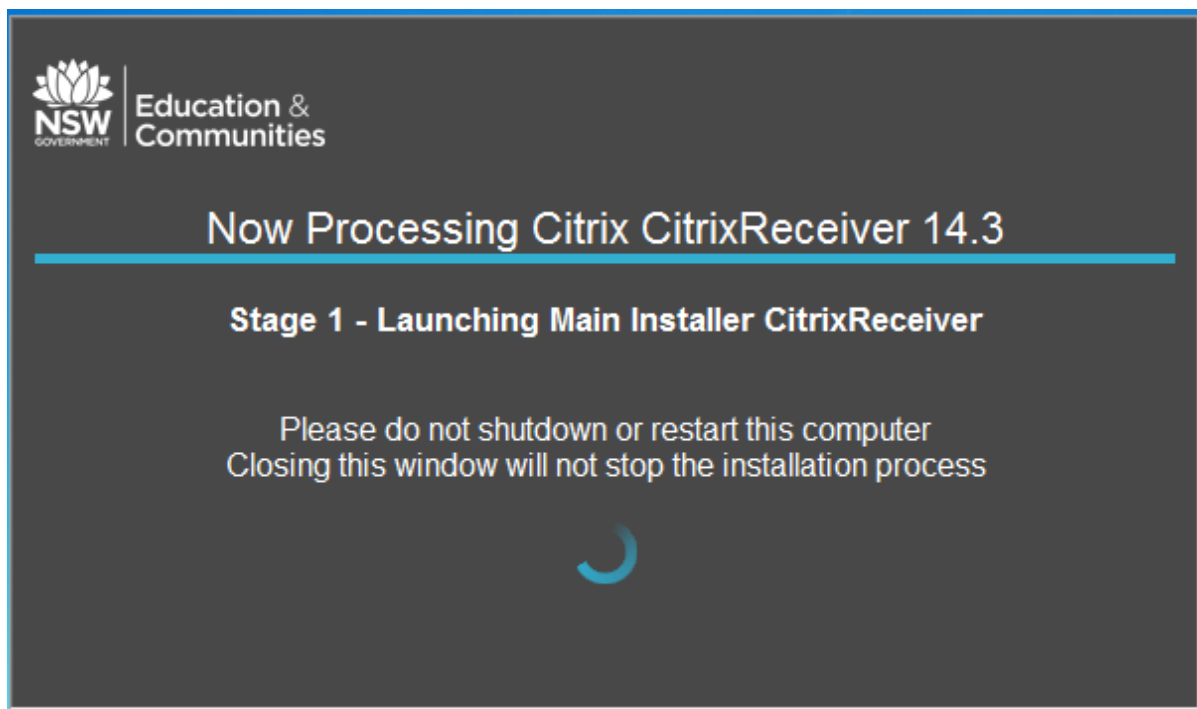

Screen shots after double clicking
 **Online_Plugin_Full_AV14_3_PV4_1 (setup.vbs file).**

You will see following screen shots and follow steps described below.

Click **Yes** to proceed.
At Stage 1, **User Account Control** screen will appear (2nd time)

Click **Yes** to Continue.

Once you reached Stage 4, Citrix Receiver is installed at this point. **You only need to configure the receiver if you want to setup for KIOSK users.**

You will also receive following Windows script host error message.

Click **Ok.**

For standard desktops (excluding KIOSK PCs, admin & library) perform the following final steps:

- o Restart the PC
- o Login to DoE portal
- o Start using OASIS.

Configuration settings for KIOSK PCs:

Select **Start → All Programs →** and double click **Citrix Receiver.**

Citrix Receiver 'Add Account' screen is displayed.

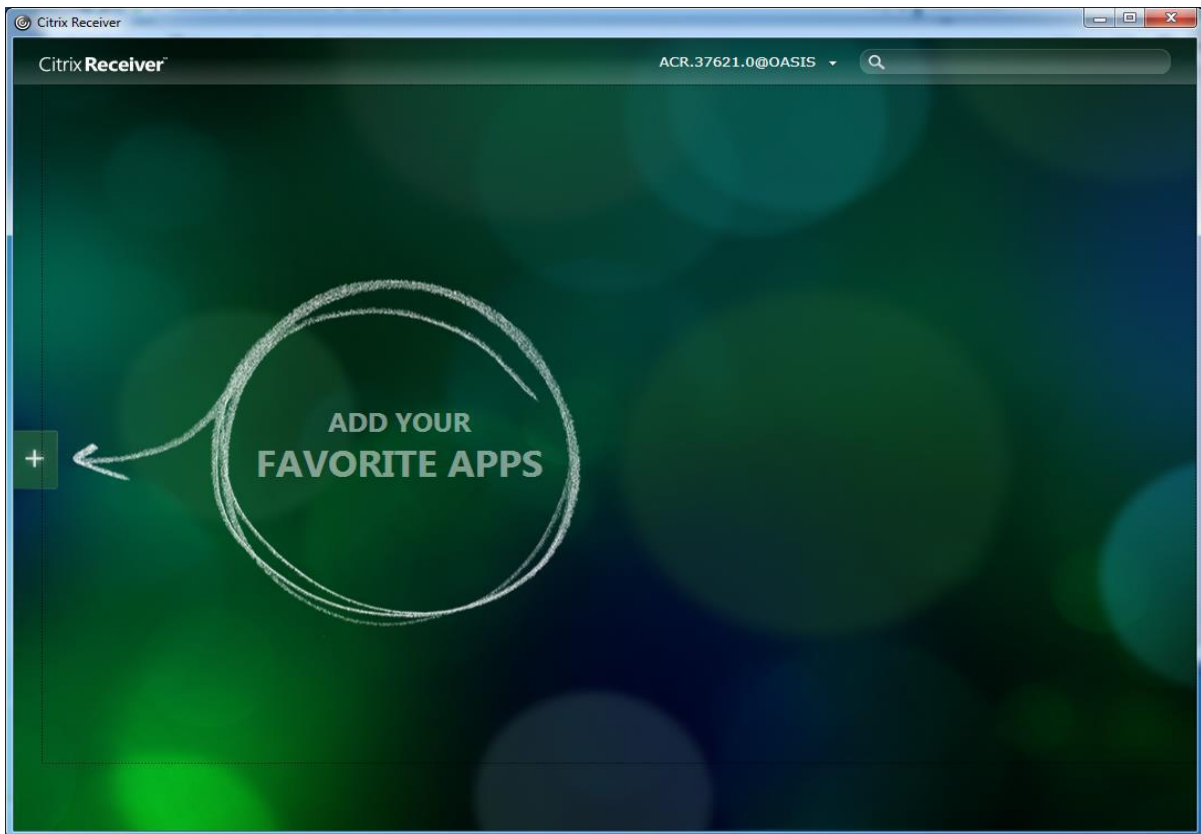

Type **www.oasis.schools.nsw.edu.au** in the server address box, and then click **Add**.
The Citrix Receiver 'Logon' window is displayed.

Above is an example of credential used. Appropriate credentials can be obtained from the **Admin Manager** or **Librarian** of the school. Ensure the **'Remember my password'** box is checked, before clicking **Logon** button.

Click the "+" sign to add the favourite apps.

Final steps for Kiosk PC configuration and accessing OASIS:

- o   Restart the PC
- o   Start **Citrix Receiver**

Method 1:

Locate Receiver icon in the System Tray.

Right Click the icon and select **Open**

Method 2:

Select **Start → All Programs →** and double click **Citrix Receiver.**

Following screen will appear.

To access OASIS, click the displayed OASIS icon. You can also rearrange the icons as required.
