

ROAD SAFETY INFORMATION

YOU ARE RESPONSIBLE FOR YOUR CHILDREN'S SAFETY WHEN THEY ARE TRAVELLING TO AND FROM SCHOOL.

Drive and park safely near schools

The beginning and end of the school day are busy times for pedestrians and drivers outside schools.

You can help keep children safe by remembering the following:

- drop off and pick up children on the school side of the road
- never call out to children from across the road – it is very dangerous
- always take extra care when driving in 40km school zones
- follow all parking signs – these help keep children as safe as possible
- park responsibly even if this means you have to walk further to the school gate
- never double park – it is illegal and puts children at risk
- never do a U-turn or three-point turn outside the school as it puts children at risk of harm
- model safe and considerate pedestrian and driver behaviours to your children.

When travelling in a car ensure your children:

- use a booster seat if they are aged between 4 and 7 years old – it's the law
- are correctly buckled up in their seatbelts
- always get in and out of the car through the 'safety door' – the rear door on the footpath side of the car
- are never left alone in the car.
