

# Accumulate your professional development hours

2021  
Make it  
count!

## Who is this information for?

Anyone in their current maintenance of accreditation cycle (except if you started a new accreditation cycle from 29 November 2020).

## What you need to know

**All** hours of professional development (PD) logged during 2021 will count towards your current maintenance of accreditation cycle. Both **Accredited** (previously Registered) and **Elective** (previously Teacher Identified Professional Development, TIPD) **PD** hours are eligible.

## Transition cycle

2021

Any PD hours completed and logged will count towards the required 100 hours.

**Note:** PD must meet **NESA Elective PD criteria**. You are encouraged to complete NESA Accredited PD where applicable.

2022

You must complete at least one NESA Accredited PD course in a priority area. Any PD hours completed and logged will count towards the required 100 hours.

**Note:** PD must meet **NESA Elective PD criteria**.
